3.2 Deliverables and Reference Materials

1. Deliverables

Upload iteration code.

2. Reference Materials

Reference Materials	Resource Location
Create Table Description File	12 Coding and Testing Stage VI

4 Develop "Define Table Structure" function

4.1 Contents

Reference the chapter "13 Coding and Testing Stage VII", understand function requirements and design idea, then develop the "Define Table Structure" function.

4.2 Deliverables and Reference Materials

1. Deliverables

Upload iteration code.

2. Reference Materials

Reference Materials	Resource Location
Define Table Structure	13 Coding and Testing Stage VII

5 Develop "Show Table Structure" function

5.1 Contents

Reference the chapter "14 Coding and Testing Stage VII", understand function requirements and design idea, then develop the "Show Table Structure" function.

5.2 Deliverables and Reference Materials

1. Deliverables

Upload iteration code.

2. Reference Materials

Reference Materials	Resource Location
Show Table Structure	14 Coding and Testing Stage VII

6 Write Working Log

Write a working log, talking about the harvest and existing problems in this week.
